Been workin' 9 to 5
my dicks limp got a gimp cock
gotta find someone to fuck cut in the gut
while i'm drivin through the city
anticipate i scout cute kiddie pretty bitch
to leave gored in a ditch
and i found my score a redheaded pigtailed
imagining her entrails soaked into my floor
fuckin domination leads to joy i can't control
and when i'm done with this bitch
i'll be sure to let ya know
-
i've been motherfuckin workin 10 to 6
i got my fix of chicks with dicks
they fuckin freaks
smoke fuckin tweek every day of the week
desperate need of a dirty whore on the floor a little
more
gotta lay fuckin low cut 10 bitches in a row
i don't give a fuck if i get caught
money bitch i got a lot
stereos hot, hookers caught
let them corpses slowly rot
cut the bitch up into little pieces
eat her feces, kinda creepy
but you gotta fuckin finish what you start
-
you don't wanna fuck with me
cus i just filled my 9 mil clip
but it doesn't matter
cus i got a knife taped to my dick
you unzip my pants and let out a scream
and i can't stop fuckin cuttin
mixin with my ice cream
stupid little hoe say you want a little mo'
count to 54 and your a motherfuckin jane doe
waste my fuckin time and i'll write a little rhyme about
you
give the motha fuckin coroner a job to do
