[N.W.A. talking about Bridgette]

There once was a girl I knew named Bridgette
She asked me was my dick a grown man or a midgette
Of course I had to show her all my balls, ring ding-aling
I whipped out my whopper but we wasn't at Burger King
Nuthin' more said, she grabbed it like a vice grip
And as the D.O.C. do you mind if I nibble this? No.
I took her to the back of the studio
And, she ate up on the doc like a Cheerio
I told the bitch yo please don't bite me
Then she made me scream when she grabbed the balls
tightly
So I slapped the bitch for goin' out like a sucka
My dick was in her mouth so she bit the motherfucka
To make her stop I pulled up on her extensions
And left jimmy standin' at attention
The look in my eyes said "Bitch you are gonner"
Now I think back to the day I should a peed on her

Bridgette, Bridgette, was a girl that I knew, but,
Bridgette was a dumb ho, Bridgette was a dumb ho
Bridgette, Bridgette, was a girl that I screwed, but,
Bridgette was a dumb ho, Bridgette was a dumb ho

So ya know Bridgette called me the next day
Just to apologize so I said OK
She claims she wants to make it up to the D.O.C.
And ya know I'm still out to get the pussy
Tried to be nice cause I didn't want to dis her
Passed Mickey D's and went to the Sizzler
Ordered the food she started rubbin' on my knees
Then I could tell that she wanted to fuck me
She said lets get dinner and I had a fit
At ten dollars a plate I said fuck that shit
Yo, that's the main reason our relationship was for me
Why, cause Bridgette was too fuckin' horny
She said please excuse me for a minute
To powder my nose I said yeah I'm with it
She took a long time the food came and I'm chewin'

Thinkin' to my self what the fuck is she doin'
Went to look for her and I heard screamin'
Looked in the room and the waiters were teamin'
Up on a bitch like it ain't no thang
But then I flipped cause it was Bridgette gettin gang
banged

Bridgette, Bridgette, was a girl that I knew, but,
Bridgette was a dumb ho, Bridgette was a dumb ho
Bridgette, Bridgette, was a girl that I screwed, but,
Bridgette was a dumb ho, Bridgette was a dumb ho
Bridgette, Bridgette, Yo Dre, That nigga screwed the
bitch too, but,
Bridgette was a dumb ho, Bridgette was a dumb ho
Bridgette, Bridgette, I'd wear a rubber if I were you, yo,
Bridgette was a dumb ho, Bridgette was a dumb ho

So you know Bridgette called me the next day
Just to apologize so I said OK
She claims she wants to come over and see me
And do anything to fuck the D.O.C.
She said she loves me but I didn't say loved her
Went to the store and got me some rubbers
Then I made a phone call up to the guys
Boy this bitch is in for big suprise
When she came in put on a slow record
Said a few lines and the bitch got naked
Laid her on the bed and told her suck my dick
Then ran Eazy, Cube, and Dre out the closet
Turned her ass over, Laid the ho on her back
Then we rode the bitch like a mutherfuckin' Amtrack
Dre had the back and Eazy had the front
(I'm behind Ice Cube cause that's where the line
started)
Bitch gettin' dogged by the doc and N.W.A.
Dogged the bitch out in each and every way
That's what I thought but with a girl Bridgette
The dumb ass ho, she liked this shit

Bridgette, Bridgette, was a girl that I knew, but,
Bridgette was a dumb ho, Bridgette was a dumb ho
Bridgette, Bridgette, was a girl that I screwed, but,
Bridgette was a dumb ho, Bridgette was a dumb ho
Bridgette, Bridgette, Yo Dre, That nigga screwed the
bitch too, but,
Bridgette was a dumb ho, Bridgette was a dumb ho
Bridgette, Bridgette, I'd wear a rubber if I were you, yo,
Bridgette was a dumb ho, Bridgette was a dumb ho
