Hi, baby
I know you're under a lot of pressure at your work and
all
And I do understand
You have no idea how much I understand

But you also don't have any idea how much I love you
I love you so much
I think about you I feel you in my heart
I miss you, I miss you terribly

I've always wanted someone like you in my life
I love you so much, I'd do anything
I'd do anything
To be a perfect woman for you

I just wanna fuck bad bitches
All them nights I never had bitches
Now I'm all up in that ass, bitches
Mad at 'cha boyfriend, aint 'cha?

You're a bad girl, gotta spank you
Gotta thank you for that head clinic
Explicit, hella photogenic
And tell your friends where the dick's at
Where they can get hit and won't get back to they soul
mates

Before you kiss 'em use Colgate
She swallowed it, yeah, the bitch took the whole eight
Ran with it then let Melman hit it
And hitman hit it, damn, bitches

Man, this is what I'm talkin about
Chicken-head, chicken-fed, with a dick in your mouth
Out and about with your nigga like it never took place
Airtouch next time you need a taste

I just wanna fuck you
No touchin' and rubbin', girl
You got a husband who loves you
Don't need you all in mine

I just wanna fuck you
We can't be kissin' and huggin', girl
You got a husband who loves you
You need to give him your quality time

You got the number, it's on you to make the call
You know I cum quick, help you re-decorate your walls
Cut your backyard, don't have to act hard to get the
cock
And if I'm goin too far, I take it out and wipe it off

And put it back up and keep going
You tryin' to hide it from your husband
But I know he be knowin' that your pussy's been
tampered with
Did you show him the new trick of
How you can lick it, smoke a cancer stick?

You be workin' it like a dancer, bitch, it's hard on me
Not to give you all of my time that you wanted
You can give me some head but keep the breakfast in
bed
I'd rather spend my mornin' diggin' through some
records instead

But tonight, I guess it'd be aight if we can touch bases
Hookup somewhere and exchange some fuck faces
I know your man's lookin' for ya, he's always tryin' to
run ya
Don't worry 'bout me handcuffin' girl
'Cause I just wanna fuck witchu

On the sneak tip, on some creep shit
So, whatcha gon' do, ya freak bitch?
You, actin' like you don't do dicks
That's the kinda bitch I hate fuckin' wit

Baby was a virgin, that's what she said
So, I gave her some Hennessy, she gave me some
head
I fucked her on the flo', so, I wouldn't mess up my bed
Then lil' half-dead put his dick on her head

Take that bitch home and give her a bone
And give her the number to my cellular phone
Now, she blowin' up my pager, the shit's gettin' major
A favor for a favor, this dick is what I gave her

Somethin' to go by and bitches know why
Stuff dick in they mouth and then I'm out

Twenty-fo' seven, Dre, Snoop and Devin
We servin' these hoes and never lovin' these hoes,
beotch

I just wanna fuck you
No touchin' and rubbin', girl
You got a husband who loves you
Don't need you all in mine

I just wanna fuck you
We can't be kissin' and huggin', girl
You got a husband who loves you
You need to give him your quality time
