**(feat. RBX, Dat Nigga Daz, Lady Of Rage)**

*[Intro: Dr. Dre (Lady Of Rage)]*

Yo yo whut sup?  
Yo man, give me some of that ol' gangsta shit,  
y'knowhutl'msayin?  
Some shit I can just kick back to, smoke a fat ass joint  
to  
Youknowhutl'msayin? He hahahahahahaha  
Hell yeah! You know what I'm talkin about?  
I like that ol' gangsta shit  
Cuz you know it's a lot of niggas out there  
woofin all that bullshit talkin 'bout they got this and got  
that  
Talkin louder than a motherfucker but ain't sayin shit  
Heh y'knowhutl'msayin?  
(Dem come witta, dem come witta, dem come wit da  
wickedness)  
Yeah nigga I see your lips quiverin  
But you ain't sayin a motherfuckin thing  
For my niggas, I got my niggas in the motherfuckin he-  
ouse  
and they gon' tell yo' what's really goin on  
Got my motherfuckin nigga RBX...definitely in this  
motherfucker  
I got my nigga Daz in this motherfucker ready to kick  
some real shit  
Y'knowhutl'msayin?  
And that lil' shit cha hear in the background, that's my  
homegirl Rage  
So RBX kick this shit  
*[RBX]*  
Seven execution style murders  
I have no remorse cuz I'm the fuckin murderer  
Haven't you ever heard of a killer?  
I drop bombs like Hiroshima  
So now I walk around strapped  
One-time bust they caps and watch niggas collapse  
Snap! Adapt to this but you need no adapter  
This is just the first chapter  
in a book from a crook

You get caught slippin yo' ass gots ta die  
Nigga, tell me what the fuck you figure?  
Trigger? Happy RBX to cap ya  
POP POP and I can't wait to bust a pound  
POP POP my hollow points smacks the clown  
Cuz what I said split his head  
And now they got me runnin from the feds  
But I refuse to go alive  
It's kill or be killed, that's how real niggas survive  
I'm high powered!

*[Outro: Dat Nigga Daz]*

Yeah!  
It's Daz that mass-murderin motherfucker  
So what you feel like you wanna get caught up?  
Fool you better recognise  
Death Row came to chastise  
So if you cross the Row  
Remember the first name is Death  
No love for the other side
