[Dr. Dre]

Huh, so I'm out the game huh?

[Eminem]

Yo Dre, we ridin?

[Dr. Dre]

Whatever

[Eminem]

Well I'm witchu homie

[Dr. Dre]

Ok, Let's handle this muhfucker

[Eminem]

I was born to brew up storms 'n stir up shit
Kick up dust, cuss til I slur up spit
Grew up too quickly been through too much shit
Corrupt and now they pour it on like syrup, bitch
Thick in gritz, sick and twisted Mr. Buttersworth
Dre tole me to milk this shit for what it's worth
Till the cow just tilts and tips 'n stumbles to earth
And if I fumble the verse, keep going
First take, I make mistakes, just keep it
No punches, pull no punches, that's weak shit
Fake shit if I ever take shit, I eat shit
Was it for him? Wouldn't be shit

[Dr. Dre]

Creep wit me, as we take a little trip down Memory Lane
Been in longer than anyone in the game
And I ain't got to lie about my age

[Eminem]

But what about Jermaine?

[Dr. Dre]

Fuck Jermaine, he don't belong speakin mine or
Timbaland's name
And don't think
I don't read your little interviews and see what your

sayin
I'ma giant, and I ain't gotta move till I'm revoked
When I see you, I'ma step on you and not even know it
Ya midget, Mini-Me, with a buncha little Mini-You's
Runnin around your backyard swimming pools
Over 80 million records sold
And I ain't had to do it with 10 or 11 year olds

[Eminem]
Cuz what you say is what you say
Say what you say how you say it whenever you sayin it
Just remember how you said it when you was sprayin it
So who you playin with huh huh huh huh?

Cuz what you say is what you say
Say what you say how you say it whenever you sayin it
Just remember how you said it when you was sprayin it
So who you playin with huh huh huh huh?

[Eminem]
Second verse, it gets worst
It gets no better than this
Amatuers drink veteran piss
From a Dixie cup, if you ever mix me up
Or confuse me with a Canibus or Dre with a Dupri
Will rub it in, every club your in, we'll have you
Blackballed and make sure you never rap a fucken
again
Dre ain't havin it as long as Im here, play Devil's
Advocate

[Dr. Dre]
If there was some magic shit I could wave
Over the indusrty that could save it when I'm gone
And bury to make sure the tradition carries on
I would

[Eminem]
If I could only use this power for good
I wouldn't, not even if I could

[Dr. Dre]
From the hood and I'm a hornet
And I'ma only sting when I'm cornered

[Eminem]
And I'ma only sucker punch or swing without warnin
And swing to knock somebody's fuckin head off
Cuz I know, when they get up, I won't get a chance to let
off
Another punch, I'm punk-rock, no one's punk

Don't give a fuck, white pop, so much spunk
When I was little I knew I would blow up
And sell a mil or grow up to be a tiller
Go nuts and be a killer

[Dr. Dre]

And I'm somethin of a phenom
One puff of the chron
I'm unstoppable, I'm alive, I'm on top again
There's no obstacle that I can't conquer
So come along with us (Come On)

[Eminem]

Cuz what you say is what you say
Say what you say how you say it whenever you sayin it
Just remember how you said it when you was sprayin it
So who you playin with huh huh huh huh?

Cuz what you say is what you say
Say what you say how you say it whenever you sayin it
Just remember how you said it when you was sprayin it
So who you playin with huh huh huh huh?

[Dr. Dre]

Now anybody who knows Dre
Knows I'm about fast cars and alazey, partyin all day
But I handle my business cuz it's work before play
Don't look for trouble but I serve you gourmet
However you want it, you could have it your way
You fuck my night up, I'ma fuck up your day
Bullet with your name, sendin it your way
That goes for anyone who walks thru that doorway
Cuz this is my space, you invade it
Live to regret it and you die tryin to violate it
Fuck around and you'll get anahilated
Eyes diliated

[Eminem]

Ha, like my old lady
Cuz what you say is what you say
Sometimes what you mean is 2 different things
Depending on your mood, if it swings, think too many
things
Little hit of Dre's weed, I can do anything
Catch a contact, then I'm gone and I'm back
I speed write and my loose leaves my lanch pad

[Dr. Dre]

And I can pull any string
Don't have to prove anything
Catch a contract on your head

You headed West, talk shit about Dre?
You better get a vest, then invest in something
To protect your head and neck

[Eminem]

And it's back and forth all day like Red and Meth
I joke when I say I'm the best in the booth
But a lot of truth is said in jest
And if I ever do live to be a legend
I'ma die a sudden death, 5 mics in The Source
Ain't holdin' my fuckin breath
But I suffocate for the respect
Fore I breath the collect the fuckin check

[Eminem]

Cuz what you say is what you say
Say what you say how you say it whenever you sayin it
Just remember how you said it when you was sprayin it
So who you playin with huh huh huh huh?

Cuz what you say is what you say
Say what you say how you say it whenever you sayin it
Just remember how you said it when you was sprayin it
So who you playin with huh huh huh huh?

[Dr. Dre]

Watch your fuckin' mouth

[Timbaland]

Yo this Timbaland, tell him I said suck (*tchka*) my
dick
