[Phish:]

What's the difference between me and you?

What's the difference between me and you?

[Dr. Dre:]

Back when was rollin wit Lorenzo in a
I was bangin wit a gang of instrumentals
Got the pens and pencils, got down to business, but
sometimes
the business end of this shit can turn your friends
against you
But you was a real nigga, I could sense it in you
I still remember the window of the car that you went
through
That's fucked up, but I'll never forget the shit we been
through
And I'ma do whatever it takes to convince you
Cuz you my nigga Doc, and I'm still wit you
Fuck the beef, nigga I miss you, and that's just bein
real wit you
You see the truth is
Everybody wanna know how close me and Snoop is,
and who I'm still cool wit
Then I got these fake-ass niggaz I first drew with
Claimin they non-violent; talkin like they...
Spit venom in interviews, speakin on reunions
Move units, then talk shit and we can do this
Until then - I ain't even speakin your name
Just keep my name outta yo' mouth and we can keep it
the same
Nigga, it ain't that I'm too big to listen to the rumors
It's just that I'm too damn big to pay attention to 'em
That's the difference

[Chorus: Phish]

What's the difference between me and you?

You talk a good one - but you don't do what you
supposed to do

I act on what I feel and never deal wit emotions
I'm used to living big-dog-style and straight coastin

What's the difference between me and you?
You talk a good one - but you don't do what you
supposed to do
I act on what I feel and never deal wit emotions
I'm used to living big-dog-style and straight coastin

[Xzibit:]

Yo I stay wit it while you try to perpetrate, play wit it
Never knew about the next level until Dre did it (YEAH)
I stay committed while you motherfuckers baby-sitted
I smash the critics like a overhand right from (Yeah!)
Come and get it, shitted on villians by the millions
I be catchin bitches while bitches be catchin feelings
So what the fuck am I supposed to do?
I pop bottles and hot at each and all of you (Come on!)
A heartless bastard, high and plastered
My style is like the reaction from too much acid
Never come down - pass it around, you can't handle it
Hang Hollywood niggaz by they ["Soul Train"]
laminates
What's the difference between me and you? (What?)
About five bank accounts, three ounces and two
vehicles
Until my death, I'm Bangladesh
I suggest you hold yo' breath til ain't none left
Yo that's the difference

[Chorus: Phish]

What's the difference between me and you?
You talk a good one - but you don't do what you
supposed to do
I act on what I feel and never deal wit emotions
I'm used to living big-dog-style and straight coastin

What's the difference between me and you?
You talk a good one - but you don't do what you
supposed to do
I act on what I feel and never deal wit emotions
I'm used to living big-dog-style and straight coastin

[Eminem:] Aight, hold up hold up! Stop the beat a
minute!

I got somethin to say, Dre, I wanna tell you this shit
right now while this fuckin weed is in me

[Dr. Dre:] (What The fuck?!)

[Eminem:] I don't know if I ever told you this
But I love you dawg, I got your motherfuckin back, just
know this shit

[Dr. Dre:] Riiight? . Slim, I don't know if you noticed it
But I've had your back from day one, nigga let's blow
this bitch

[Eminem:] I mean it dawg, you ever need somebody
offed - who's throat is it?
[Dr. Dre] Well if you ever kill that Kim bitch, I'll show you
where the ocean is
[Eminem:] Well, that's cool, and I appreciate the offer
But if I do decide to really murder my daughter's
momma
I'ma sit her up in the front seat and put sunglasses on
her
And cruise around wit her for seven hours through
California
And have her wavin at people (Hi!) Then drop her off
on the corner
at the police station and drive off honkin the horn for
her
Raw dawg, get your arm gnawed off
Drop the and beat you wit the piece it was sawed off of
Fuck blood, I wanna see some lungs coughed up
Get shot up in the hot tub til the bubbles pop up
And they nose and cough snot up, mucus in hot water
That's for tryin to talk like was lost product
That's for even THINKIN of havin them thoughts
thought up!
You better show some respect whenever the Doc's
brought up!
So what's the difference between us? We can start at
the penis
Or we can scream and see who means it!

[Chorus: Phish]
What's the difference between me and you?
You talk a good one - but you don't do what you
supposed to do
I act on what I feel and never deal wit emotions
I'm used to living big-dog-style and straight coastin

What's the difference between me and you?
You talk a good one - but you don't do what you
supposed to do
I act on what I feel and never deal wit emotions
I'm used to living big-dog-style and straight coastin

What's the difference between me and you?
