Three thousand!!!

Three thousand!!

I crank up lyrical flows, spit spats, what's that  
The pattern records, don't touch the dats, yo  
Check out the pro skills, medic fulfills  
Contact react to style I'm back you lack  
Channels and handles, automator's on the panels  
Turnin knobs you slobs suckers like baskin robs  
Carvel don't tell your whole crew is ice cream fudge  
Rappers that budge, makin moves step in grooves  
And ride the pace like at thirty-three dark shades  
Now you seein me  
Rap moves on to the year three thousand

Three thousand!

Three thousand!

Three thousand!

Let me shuffle red red red see the black heart it ain't  
hard  
Pick and choose you lose oops you lost  
Check out the boss on broadway down to walkways  
Suckers with mics that end up with tooth decay  
I, the doctor, stop ya, in your world rock ya  
Heads bop, forever tunes and they won't stop like hip-  
hop  
Keeps growing, sick of sick of showing  
Scratches in mattress business money reattaches  
worldwide  
Deep inside stops the diamond rocks  
In a million world, billion world, quitrillion world  
Rap moves on to the year three thousand

Three thousand!

Three thousand!

Three thousand!

Three thousand!

As space I've shown participator acts walk up clog up  
and mess up

Water down the sound, that comes from the ghetto  
In the middle the core you tour explore experience  
What is real you feel, changing ways  
Commercial rap's in the grave, stuff on disc that's very  
wack  
That you saved, you think it's good won't go platinum  
Or even turn wood, sell the cassette  
Your homey's tape deck gets wet  
You my pet, my poodle chicken noodle's on the rise  
Open your eyes and see my life  
Rap moves on to the year three thousand!

Three thousand!!  
Three thousand!!  
Three thousand!!  
Three thousand!!!
