Car mein ek bachaa humming sitting on back seat
Sings with every FM song with voice so sweet
Sonu Himesh Alka Shreya no singer barred
Not a single line missed all songs hauled
Rap zap pop songs or may be quwaali
Dances to a zigzag when song has a gaali
Car mein ek bachaa humming sitting on back seat
Sings with every FM song with voice so sweet
Music was on but he was quiet
Masood Rana Punjabi song his mind was in riot
Suddenly swung his arm silence broke away
When he could just make out Goli maar de
Car mein ek bachaa humming sitting on back seat
Sings with every FM song with voice so sweet
While just two years he sang a complete song
Sitting on the chair full three minutes long
If you wish to listen don't wait so huge

Car mein ek bachaa humming sitting on back seat
Sings with every FM song with voice so sweet
