Ok kids have fun and sing chun chun chun
Looking at the aeroplane little Shreyas staked the claim
Grand pa I want that thats no negotiable aim
I looked at the plane and two feet visible length
I drove to Motinagar parked two feet gadget on the
bench
Shreyas is happy so should you be
He would make a big man so would you be
Cycle par ek bachaa humming uun uun uun
Ok kids have fun and sing chun chun chun
Adhyan was sleeping but got up from the bed
Full of anger with face blushing red
Grand pa I want train that chhuk chhuk train
If you don't get me that you are grand pa in vain
I require a moment please wait and see
If you want the music tune on to zee
Cycle par ek bachaa humming uun uun uun
Ok kids have fun and sing chun chun chun
I took a dozen tumblers tied with thread
Moved the train with a pulley on the bed
Chhuk chhuk sound was so easy to fix
On my music system I played Aashirwaad disk
Adhyan is happy so should you be
He would make a big man so would you be
Cycle par ek bachaa humming uun uun uun
Ok kids have fun and sing chun chun chun
