Raawan thaa thaa thaa Raawan thaa thaa thaa
Ye maara wo maara yunhi maare teer athaah

Bura jo kartaa vo bhartaa vidhi ka vidhaan hai-2
Bure se ladta wo hota jag mein mahaan hai-2

Vedon ka gyaata, upaasak, prachand vidwaan tha-2
Jeetun duniya, bhari vaasna, yehi gumaan tha-2

Jag mein aaya jab bhi raawan Ram pragat hue-2
Kaampi dharti dushton se, sab bhasm kiye-2
Suno dosto tha ik wo ab paanch sau chaalis-2
Sadan mein bathe lutere daaku khaalis-2

Chugen jo chidiyan to khet ko chugne do-2
Mat chhedo inhein paap ko bunane do-2

Gayee jo chidiyan to des ka poora raaj
Pakad lenge tab aur bhi bundlebaaz
Kar denge wo des ka satyanaas satyanaas satyanaas
