She fitted all windows with the blinds]-2  
With the blinds keeping self behind  
She fitted all windows with the blinds  
Hiding her looks from the crazy minds  
She fitted all windows with the blinds  
[Thats not the way love should be let  
Take off the blinds and fire the bullet  
Fire the bullet  
Glued down here to see her go kind  
She fitted all windows with the blinds  
With the blinds keeping self behind  
She fitted all windows with the blinds  
[I can see some light through the window  
People in look like Trevor's findo  
Trevor's findo  
Use the mobile if you must keep bind  
She fitted all windows with the blinds  
With the blinds keeping self behind  
She fitted all windows with the blinds  
[Those were the days you used to be  
Calling me every day making a plea  
Making a plea  
Is there someone else did you find  
She fitted all windows with the blinds

With the blinds keeping self behind  
She fitted all windows with the blinds  
Oh oo.. Hiding her looks from the crazy minds  
She fitted all windows with the blinds  
With the blinds keeping self behind  
She fitted all windows with the blinds  
Nekiyaan khat lau badi kaahnu phadnee]-2  
Changa mile maada thats gift from God  
Lets celebrate that even or odd  
We will get back for whatever we do  
Dhup wich baithna te lagoogi loo  
Thats the golden rule hai karni te bharni  
Nekiyaan khat lau badi kaahnu phadnee  
Listen listen let us pray the God  
Apni achhaaian da wandeeye prasad  
Serve our nation with a zeal  
Lage na kisse di qismat te seal

None sleeps without food kaushish ai karni  
Nekiyaan khat lau badi kaahnu phadnee  
Every one is destined for one way journey  
Nekiyaan khat lau badi kaahnu phadnee
