This pant is Chinese  
Russian cap on the head  
Indian heart is in me ]-2  
My shoes are Japanese  
I am on a blind journey with all fuel and will  
with all fuel and will  
No target no destination Facing heat and chill  
Facing heat and chill  
Heading all the way up with an eye on what to be  
Russian cap on the head  
Indian heart is in me  
My shoes are Japanese  
This pant is Chinese  
Russian cap on the head  
Indian heart is in me  
My shoes are Japanese  
Wearing tie with aims high looking at the sky  
looking at the sky  
Leaving all the worries behind letting the mind fly  
letting the mind fly  
Saluting every one that be whether she or he  
Russian cap on the head  
Indian heart is in me  
My shoes are Japanese  
This pant is Chinese  
Russian cap on the head  
Indian heart is in me  
My shoes are Japanese
