Yeah, headin' across country, ain't no stoppin'

Diesel truckin', baby, poppin' 'No-Doz' for nights  
Lookin' out the tight skirts rollin' up the turnpike  
Rollin' down the highway, tank's full with gas  
Look in your rearview, kid, I'm up on yo' ass

Diesel trucks with big engines, Caterpillar motors  
Y'all move over, we honkin' the horns behind your  
Escalade  
Bam bam bam bam, that's us  
With one overload, behind your Range Rover, truck  
stops

Last night we made the drops, air pressure on the  
brakes  
Fshew, one tank better than Jake  
Y'all talk a lot of mouth, while we pulled up at the waffle  
house  
Interstate we movin' forward, 18 gears, the bridge ain't  
closed

4008 Peterbilt, orange and gray long-nose  
Haulin' apples grade A, swap trailers on payday  
Your meat get delivered on tough beats  
While y'all supposed to be movin' on tough streets  
Play it back baby, crank the pipes, I don't think they got  
heat

Diesel truckin' baby, poppin' 'No-Doz' for nights  
Lookin' out the tight skirts rollin' up the turnpike  
Rollin' down the highway, I'm overweight, runnin' late  
Didn't stop at the scale, highway patrol on my tail

Diesel truckin' baby, poppin' 'No-Doz' for nights  
Lookin' out the tight skirts rollin' up the turnpike  
Rollin' down the highway, tank's full with gas  
Look in your rearview, kid, I'm up on yo' ass

Diesel monster truck rollin', huh? Burgundy  
Surly more deadly and ready for road kill melee  
I shear, runnin' over deers and queers

Niggaz, way back, suck cheers and beer, last chance  
for fear

Hey, hello, little kiddie  
Pink bows in your hair and ahh, you're lookin' pretty  
What I really look like, I leave no one else  
No mercy a killer, kiss my pinkie ring, come kiss it

Sit in fun seats, shiny skirts, big dice on the dash  
Flamin' all lost with David Lynch, highbeams flash  
The cash in ya bra strap, is how much I spent on  
hubcaps  
Blew my 8, cylinder right before I split ya

Put a nice suck me, suck me, cut me, orgasm  
champagne  
Vibe bully pistol me kink, throw me, slit my throat, shut  
me out  
It was out in my diesel truck, that I call Lil' Sally

Diesel truckin' baby, poppin' 'No-Doz' for nights  
Lookin' out the tight skirts rollin' up the turnpike  
Rollin' down the highway, I'm overweight, runnin' late  
Didn't stop at the scale, highway patrol on my tail

Diesel truckin' baby, poppin' 'No-Doz' for nights  
Lookin' out the tight skirts rollin' up the turnpike  
Rollin' down the highway, tank's full with gas  
Look in your rearview, kid, I'm up on yo' ass

Man, you're ready for Kansas, up here I'm rollin'  
21 gears behind a lady drivin' a Volkswagen, I can't  
stand this  
Box weight, ox weight, I gotta be in Grand Rapids  
At a quarter to 8, not a quarter too late

When I hit the clutch, everythin' shake  
I don't know what route I'ma take  
Hit Flying J's in the Great Lakes  
Engine red hot, his coffee pot, two barrels of fuel on  
each side  
I laugh at the gas exit when you gotta stop

Respect all the way up to the radars, check my rear  
view  
Wave at weigh stations, it's all love for you  
With sheriffs and cops, Detroit diesel engine you can't  
stop  
When the reindeer lock, everythin' stay 100 speed limit  
Watch the grill block

Diesel truckin' baby, poppin' 'No-Doz' for nights  
Lookin' out the tight skirts, rollin' up the turnpike  
Rollin' down the highway, I'm overweight, runnin' late  
Didn't stop at the scale, highway patrol on my tail

Diesel truckin' baby, poppin' 'No-Doz' for nights  
Lookin' out the tight skirts rollin' up the turnpike  
Rollin' down the highway, tank's full with gas  
Look in your rearview, kid, I'm up on yo' ass
