[Kool Keith]

Adjust two levels, with immobile chemicals  
that y'all pass to Saturn, relax for your physical

See you hatin with night vision  
Masters at Work meet you in division  
Heavy writing, deadly fumes in position  
Jumpstart

Nuclear so-lar power, dressed like the Terminator  
One programmed robot, one hour  
Get out the fire extinguisher  
The New York Police Department save your valuables  
I'll face the exe- exe- exe- executioner

Mack- Mack- Mack- Mack trucks blow up later  
I'll show up with stable contacts and Argent tech  
You pass off the building contracts  
While the drummer lays the "Critical Beatdown"  
{\*"lays the Critical Beatdown"\*} conditioned horn  
section  
You're in position

Jumpstart {\*8X\*}

Can't find the funkkin {\*2X\*}  
Can't find the funkkin towel

Can't find the funkkin towel  
Kinetic sector session, we face the election  
American Express therapeutic campaign  
Ultimate plutonium, uranium, blew my, carbon dioxide  
is the qualified  
For MC's, you better drink that Drano {\*2X\*}  
For MC's, you better drink that- that  
That... that... that... unclogger  
Roll the wheelchair like Ironside  
Wash your whack baseball cap with Tide  
Behind the thin curtains and small blinds you can't hide  
Pain match up to the hater with tight-ass gym shorts on  
Look at you lookin like the Gladiator

{\*"Look at you lookin like the Gladiator"\*}  
My pee stains turn yellow on foes and perform greater  
While you control the testicles with the handles from  
Sega

Jumpstart {\*14X\*}  
Nice

Jumpstart, nice  
Jumpstart, jumpstart, nice  
Jumpstart, nice  
Jumpstart, jumpstart, nice

One, two  
One, two  
One, two  
One, two~!  
That's for all you Richie tan figures
