(talking)

Got to do something for the playas  
If you ain't a real playa, you'll have to  
Go to the back of the club  
This for the playas and the ballas (ballas)  
And the pimps, for everybody (Southside)  
Who rocking lots of ice, teeth shine  
Piece shine, pull up looking clean  
On two 20's nigga

(Chorus)

Put your fist up  
If you wearing a rolex put your wrist up  
Grab your styrofoam cups of drink mixed up  
If your car broke down get it fixed up  
Playas put your fist up, let your piece shine  
If you got diamonds in your grill let your teeth shine  
And when we at the club we be creased down  
You ain't never seen no playa like me huh  
Don't ball with Sucka Free huh

[SPM]

I just put some new rugs in my two story club  
Hoes getting dug in my king size tub  
Boys getting drugged, trying to act like a thug  
No fucking love while I sip purple mud  
I fly like a dove, smoke like a champ  
Never run from no one cause I might catch a cramp  
Smoking damp, fucking on a old school tramp  
Ten dollar rock for a twenty food stamp  
My name is Carlos holla fuck these hoes  
Life is like ballet stay on your toes  
My dream is to keep the world up all night  
Cause I got enough caine to have a snowball fight  
I floss gators, got cribs with elevators  
So much cash I bought a pool for my neighbors  
Dopehouse and Sucka Free, run your ass up a tree  
Fuck with me, and you'll be keeping dad company

(Chorus)

[Lil' Flip]

When I walk into the club people say (where he go)  
But when I open up my mouth they be like (there he go)

[Redd]

When Redd sliding through the club I'm throwing my  
elbows  
Any girl I snag, she sticking like velcrow

[Lil' Flip]

And when I take my watch off, they say (who cut the  
lights off)  
And I can freestyle all night until they cut the mics off

[Redd]

As soon as I touch the stage, broads ain't paging they  
man  
Instead they spilling liquor, waving they hands

[Lil' Flip]

Well I'm a valet parker and a endo sparker  
So many waves in my hair I got to wear swimming  
goggles

[Redd]

Now we ready to buy the bar tossing shit the counter  
People notice my name and run over the ?

[Lil' Flip]

Now when you see me in the club I'm dressed top of  
the line  
I'm mixing up codeine and popping bottles of wine

[Redd]

I met a chickenhead from Michigan showing her tattoo  
Hit it off at the bar too let's scam so we could car pool

(Chorus)

[Lil' Flip]

Hey, this for my Blacks, Asians, Chinese and  
Caucasians  
Muslims, Irish and even Jamaicans  
Hispanics, Indians, throw your sets up  
And all the fine women, raise your dress up  
Hold up your piece if you got ice in it  
And put your white cups up if you got pink sprite in it  
You might see me at the bar but I don't drink that much  
I just bought an Escallade and I'm gone paint that truck  
I got three million in the bank, but it ain't that much  
Now when I look at magazines I say ain't that us

I'm in the VIP section, wearing a black dob  
I got the women screaming whoa but my name ain't  
Black Rob  
Man, they screaming Lil' Flip at the front of the club  
A nigga buzzed off this remmy with a blunt and a hug  
When Sucka Free in the club women lose they brains  
If I need ice in my cup, then I use my chain, bling bling

(Chorus)
