Here we go again  
More angry than ever before  
It's a DA shit show coming through your door  
But everybody knows that a hoe will stay a hoe  
And that's just how it goes  
Try your best to not get caught up  
And now it's time to lay it all out, let's roll  
Now it's time to lay it all out, let's go, oh  
But I got one last thing I'ma say  
And I'ma say it with a smile on my face  
Mark ass trick  
Thought you won in the end  
I won't be using no protection  
When I fuck all your friends  
So fuck all your friends, fuck  
So, fuck all your friends  
That's what I'm talking about  
I'll be that motherfucker running my mouth  
Backstabbing, never lagging, never dragging it out  
Straight sketching, always creeping around  
Fuck, that's what I'm talkin' about  
It's just a day in the life  
Your life is nothing like mine  
It's just a day in the life  
Your life is nothing like mine  
It's just a day in the life  
Your life is nothing like mine
