It's my life
Take it or leave it set me free
What's that crap-papa-know-it-all? I got my own life
Live your life and set me free mind your business
And leave my business you know everything papa-
know-it-all
Very little knowledge is dangerous
Stop bugging me stop bothering me
Stop bugging me stop forcing me
Stop fighting me stop yelling me
It's my life.

It's my life
It's my life my worries
It's my life
It's my life my problems
It's my life
It's my life my worries
It's my life
It's my life my problems.

It's my life
Do you understand?
I live the way I want to live
I make decisions day and night
Show me signs and good examples.
Stop telling people how to run your business
Take a trip to east and west you find
That you don't know anything
Every's getting tired of you sometime
You have to look and listen
You can even learns from me little knowledge is
dangerous
It's my life.

It's my life ...

It's my life set me free so you bed so you lie
What you see is what you get listen to people and sort
things out
Things I do I do them no more things I say I say them

no more
Changes comes once in life
Stop bugging me
Stop bothering me
Stop bugging me
Stop forcing me
Stop fighting me
Stop yelling me
Stop telling me
Stop seeing me
It's my life.
