Come really put your mind to it

Ooh oh ooh oh ooh oh

Calling Mr DJ

Ooh oh ooh oh ooh oh

Play that song for me

Ooh oh ooh oh ooh oh

Calling Mr DJ

I believe you'll set me free

Ah Mr. DJ come on play my song

Ah Mr. DJ play it all night long

Come really put your mind to it

Come really put your mind to it

Ah Mr. DJ come on play my song

Ah Mr. DJ play it all night long

Come really put your mind to it

Come really put your mind to it

Come really put your mind to it

Come really put your mind to it

Come really put your mind to it

Come really put your mind to it

Come really put your... mind to it

Come really put your mind to it

Play it on until the morning rise

Play it on until me hold on, come on

Come really put your mind to it

Come really put your mind to it

Play it on until the morning rise

Play it on until me hold on, come on

Come really put your mind to it

Come really put your mind to it

Set me free

Set me free

Set me free
Come really put your mind to it
Set me free
Come really put your mind to it

I believe you'll set me free

Come really put your mind to it
