This is the riddle of life
This is the riddle of my heart
Com si, com si, coma joha
Com si, com si, coma johaoh
Com si, si coma joha
Com si coma joha
This is the way you touch me
This is the riddle of my heart

This is the riddle of life
This is the riddle of my heart
Com si, com si, coma joha
Com si, com si, coma johaoh
Com si, si coma joha
Com si coma joha
This is the way you touch me
This is the riddle of my heart
Com si, coma joha

Come take it easy, steady and slow
Come take it easy, steady and slow
Come take it easy, steady and slow

This is the riddle of my heart
It's easier than you know
It's easier than you know
Come take it easy, steady and slow
This is the riddle of my heart
Com si, com si coma joha
Come take it easy, steady and slow
Come take it easy, steady and slow
This is the riddle of my heart
It's easier than you know
It's easier than you know
Come take it easy, steady and slow
This is the riddle of life

Com si, com si coma joha
This is the riddle of life
This is the riddle of my heart
Com si, com si coma joha

This is the riddle of life
