Lights, camera, distraction  
This place is electric  
The monster has risen  
Get back in the ground

ROFL please send noods(x5)

We're taking everything  
And turning it into gold  
Nothing will be the same  
And no one will know your name

They don't make lungs big enough, for you to try and  
run from us(x2)

?

ROFL please send noods

I'm the new thing you've been dying to see  
I'm your every fucking fantasy  
(x2)

Look how fucking cool(x4)  
Look!
