Cherchez la femme

Miggie, Miggie Bonija's very upset
She's sick and tired of living in debt
Tired of roaches and tired of rats, I know she is ooh
So her noble man says
"Baby I understand, oh my honey"
Now he's working two jobs at Eighth Avenue bars
Oh ain't crazy baby
Now she complains
That her man is never present, no
She goes next door, I know that she's just playing the
whore
Hey for misery my friend, hey
Cherchez la femme

(Instrumental break)

They'll tell you a lie with a colgate smile, hey baby
Love you one second and hate you the next one

Oh ain't it crazy, yeah
All I can say, ay, hey, of one thing I am certain, ooh,
ooh
They're all the same, all the sluts and the saints
For misery my friend
Cherchez la femme

Hey now, Cherchez la femme (ooh)
Oh babe, Cherchez la femme (ooh)
Yeah, Cherchez la femme (ooh)
Ooh that's amora, Cherchez
Ooh that's amora, Cherchez
Amora amora be mine, be mine
Devine! (Ooh that's amora, Cherchez)
Cherchez la femme
(Se si bon, Se si bon, Se si bon)
Cherchez la femme, rumba
(Se si bon, Se si bon, Se si bon)
Cherchez la femme, rumba

(Repeat and fade)
