I'll play the fool for you, oh girl
If that will get me over
And I'm gonna go to school again, boy, for you
Just to get my equivalency diploma

There's nothin' honey, that I won't do
When I meet a guy lovely as you
Ain't it funny what a little love can do
(Ain't it kinda funny)
Better than poison, so much stronger than glue

I'll be a joker for you, oh girl
Make you smile when you're feelin' blue
I'll grow a tail or two for you
Spend the rest of my days locked up in the zoo

'Cause there ain't nothin' doubtful daddy, that I won't
do
When I meet a guy lovely as you
Ain't it
(Ain't it kinda funny)
So much better than poison, stronger than glue, hey

When your body's close to mine, my baby, ooh
I get a feelin' that's so divine, ooh
Say, blows my mind

Bop, bop, bop, bop, bop, bop, keep on dancin'
Bop, bop, bop, bop, bop, bop, keep on dancin'
Bop, bop, bop, bop, bop, bop, keep on dancin'
(Keep on dancin', the music blows your mind, yeah,
yeah)
Bop, bop, bop, bop, bop, bop, keep on dancin'
(Keep on dancin', the music blows your mind, yeah,
yeah)

Bop, bop, bop, bop, bop, bop, keep on dancin'
(Keep on dancin', the music blows your mind, yeah,
yeah)
Bop, bop, bop, bop, bop, bop, keep on dancin'
(Keep on dancin', the music blows your mind, yeah,
yeah)

Bop, bop, bop, bop, bop, bop, keep on dancin'
(Keep on dancin', the music blows your mind, yeah,
yeah)

I'll play the fool for you, oh, girl
Buy you things that I cannot afford
Now that ya be a two for me, honey, honey, hey
Fix all the phones and lock all the doors

There ain't nothin' baby, that I won't ever do
When I meet a guy who is lovely as you
Ain't it funny, babe, what a little love can do
(Ain't it kinda funny)
It is better than that poison, it's so stronger, stronger
than glue

My love, ain't it, ain't it, ain't it kinda, ain't it kinda
funny?
When I need to talk with [Incomprehensible] you
No baby, baby, can't ya see? I need you to love me
And always be by my side

(Ain't it kinda loving you)
Love me, baby
Oh baby, oh baby
(Ain't it kinda loving you)
Oh baby, my baby, yeah
(Ain't it kinda loving you)
