If you're dead make a sound  
I can put my ear to the ground  
And sing a long now  
Sing a long now

We were peas in a pod  
Gotta thank almighty god  
That we're together  
We're together

Oh no...  
Oh no...

Fell a glance in the air  
You can see what's way up there  
In the stars now  
In the stars now

There's no reason or rhyme  
That can keep up with the time  
So run along now  
Run along now

Oh no...  
Oh no...  
Oh no...

Heartbreak it looks like a snake in the grass

Oh no la la la la la  
Oh no

Sweet dreams falling asleep at the wheel again

La la la la la oh no

Oh no alright come on

Ba da da da da da  
Ba da da da da da

Yeah

Yeah
