Sitting here  
I am very far away  
Looking back, on yesterday  
And it won't be long before  
We all belong  
Cause all the time that's left to kill  
Is drawing out its' final will

Lady luck  
She is always by my side  
She woke me up  
When I died  
Taking me higher and higher  
Just above the line of fire  
Cause time and time and time again I'm shown  
That I have never been alone at all

We all belong  
We all belong  
We all belong  
We all belong

My old man  
He is always on the run  
He is the moon  
And I'm the sun  
We don't belong to the earth  
We both belong to the sky  
Mother me told me don't you cry  
Stay at home or learn to fly  
Oh my
