She's a big girl now and she can't be your baby
anymore
Sha-na-na-na-na she's a big girl now
Yes, she's a big girl now and she can't be your baby
anymore
Sha-na-na-na-na she's a big girl now

She had such wild expectations when she was very
young
But you couldn't stand to see her happy or having fun
But she's a big girl now and she can't be your baby
anymore
Sha-na-na-na-na she's a big girl now

You had her doing all the dishes, had her mopping the
floor
You had your dinner on the table when you walked
through the door
But she's a big girl now and she can't be your baby
anymore
Sha-na-na-na-na she's a big girl now

She could have been anything that she wanted
She could have had anything at all
But you broke her down man, you nearly undid her
You made her feel so very small

Sha-na-na-na-na she's a big girl now
Sha-na-na-na-na she's a big girl now

You made her call you daddy, changed the color of her
hair
And when you stayed out very late, you had her waiting
on the stairs
But she's a big girl now and she can't be your baby
anymore
Sha-na-na-na-na she's a big girl now

She could have been anything that she wanted
She could have had anything at all
But you broke her down man, you nearly undid her

You made her feel so very small

But she's a big girl now and she can't be your baby
anymore

Sha-na-na-na-na she's a big girl now

And she's coming with me

Sha-na-na-na-na she's a big girl now

Sha-na-na-na-na she's a big girl now

She's coming with me

Sha-na-na-na-na she's a big girl now

Sha-na-na-na-na she's a big girl now
