I'm doing time, I'm guilty
Rise in the morning, oh, sleepy

The clouds in sky, unknown and untied
A reason for reasons you die
The eye of the storm beware, beware
And still there's a thrill in the air
Unbearable why

While I'm doing time I'm guilty
(For now)
Rise in the morning, oh sleepy
(Dream on)

The clouds in sky, unknown and untied
A reason for reasons you die
The eye of the storm beware, beware
And still there's a thrill in the air
Unbearable why, unbearable why

While I'm doing time, I'm guilty
(Therefore now)
Sun rise up in the morning, oh, so sleepy
(Dream on)

Lying in letters to someone I don't know
Like an old song in the waiting
For something from the past
So long from now, from now, from now
From now, from now, from now, from now, from now
