Yo, fuck Octagon  
Don't ask me about that fuckin shit  
Fuckin ask me about that fuckin shit again  
I ain't doin that type of shit (I ain't doin that shit)  
You motherfuckers think I'm crazy right? (Yeah you  
crazy)  
I know, but I am

I have to show niggaz, word G, I have to blow niggaz  
Tech 9's, Carbines, pointin in your fuckin faces  
Thirty-eight Magnum butcher knife man, watch me stab  
em  
Q his kid left there, with ambulances, by the wheelchair  
Dangerous Action, I'm the movie, I'm the main  
attraction  
Fuck up your front lawn with M'n'M's, Jiffy Popcorn  
Piss in your mailbox, throw shitty Pampers every two  
blocks  
Cut up your great Dane, with charcoal out, leavin great  
flame  
You fuckin bastard, don't fuck with me, you gettin  
blasted  
Niggaz get fucked up, you black niggaz are actin white  
Your Rolex gone, my project's on your airplane flights  
First time you check out, baggage claim will throw your  
neck out  
Cut off your bodyguards, fast start with razor scars  
Come grab the sub machines, Joe step to seminars  
Niggaz with diamonds, armed crack heads, clock y'all  
rhymin  
Take your girl's necklace, stare at the cops, lookin  
reckless  
Ass on the corner, think you safe workin at Warner  
Brothers?  
Polygram building heard some shots, they want me to  
chill then  
Security ran, Russell Simmons saw me in a black van  
I ran the tight intersection, and caught a big erection  
Spinnin on 3rd, Lexington, through the fuckin red  
I'm in Manhattan, naked wigs, on my fuckin head  
Streets full of traffic, drive on sidewalks, that's my  
habits

Mental case, mental case  
{Man, he be likin Campbell's soup, Apple Jacks  
Double XL diapers}  
Mental case, mental case  
{Chocolate milk, porno films  
Flintstone tablets}  
Mental case, mental case  
{Roscoe waffles and make them extra soft okay?}  
{Roscoe waffles and make them extra soft okay?}  
{Roscoe waffles and make them extra soft dude!}  
{Roscoe waffles and make them extra soft dude!}  
{Roscoe waffles and make them extra soft dude!}  
{Make sure he gets a girl okay?}  
{Make sure he gets a girl okay?}  
{Make sure he gets a girl okay?}  
{Make sure he gets a girl okay?}

Your style is bitch kid, you fucked up, sound like a  
woman  
I'm not impressed when you sport mics and touch your  
breast  
You transvest with small flows, you can't, proper digest  
You open mic stands, you catch one, with sperm in your  
hand  
I leave you thinkin in your hotels, with pussy stinkin  
Massengil thrills flow through New York, to Hollywood  
hills  
Your male flow, I'm wipin asscracks like Mop-N-Glo  
MC's get inserts, thrash style selectin bad words  
Move with your silk suits, I stomp your mics with combat  
boots  
Make up your rap that's feeble, small you think it's  
major  
I pull your rectum out, erase your girl, off my pager  
International feedback, I make you twist your knee back  
I got your crew on camcorders, tryin to rhyme in Tea  
back's  
Garter belts on DJ's, sportin tryin to spin on felts  
I see that rugged kid comin through, gimme that screw  
face  
He's wearin girdles, your back-up man, sportin pink  
lace  
Hey man you better watch your back up in here man  
They rapin little boys

Mental case, mental case  
{Man, he be likin Campbell's soup, Apple Jacks  
Double XL diapers}  
Mental case, mental case  
{Chocolate milk, porno films

Flintstone tablets}  
Mental case, mental case

{Make sure he gets a girl okay?}  
{Make sure he gets a girl okay?}  
{Make sure he gets a girl okay?}  
{Make sure he gets a girl okay?}

I stop your intro, move your mic at your birthday party  
Your group set up, takin turns, y'all shut the fuck up  
Walk, grab your nuts, leave the Kangol's and scratch  
your butts  
Stage shows get messed up, you're hardcore, zippin  
your dress up  
Move on your projects, new shit, that's how I do shit  
Word up G, y'all niggaz sound puss, lick my pee-pee  
veteran nasty  
Don't even try to fuckin ask me, fax you my phone  
number  
I beat you down with steel cans and wood lumber  
Open your face up, dress you with makeup  
Have your bitch-made, makin Kool-Aid with your ass  
out  
In a glass house, where convicts wear big dicks  
Strong niggaz, got your assholes in the mix  
You need protection for that tight infection

Mental case, mental case  
{Man, he be likin Campbell's soup, Apple Jacks  
Double XL diapers}  
Mental case, mental case  
{Chocolate milk, porno films  
Flintstone tablets}  
Mental case, mental case
