[Dr. Doom] Yo I'm nice to kill that man, bill that man
The Dr. Doomuhlist, let's zoom to this They spread
word and rumor this They think they pro but new to this
They walk on stage like pooh putts, they new nuts
"Diesel Truckers" Dr. Doom zoom Dr. Boom Boom
move all you nuts These cats are stuck in a rut Fruit
wearers, fake suit wearers I'm behind them like Michael
Myers in the mirrors One chop to you, in hip-hop should
do [Chorus] Ten-nine-eight-seven-six-five-four-three-
two-one (*ah ah ah*) {Step up and get chopped down}
Ten-nine-eight-seven-six-five-four-three-two-one (*ah
ah ah*) {We takin over your town} Ten-nine-eight-
seven-six-five-four-three-two-one (*ah ah ah*) {Man
how that sound~!} Ten-nine-eight-seven-six-five-four-
three-two-one (*ah ah ah*) {With a face like Jason
when he drowned} [Dr. Doom] What's the real word
on the ury man? White people love me like Fergie man
Move out on the highway in a black Ford My Black &
Decker equipment in the dirty van Takin Octagon in a
coffin up to see Dan Talkin on the pre-plan I'm
monstered out this mother with three hands All mule
meat wrapped up in Saran Comin from Iran, Barkley,
remarkably awesome In the back of the pickup truck we
toss 'em That's me with the skully cap with the skully
rap Ridin up Slausson, sending Austin With dead
bodies comin in FedEx from Charleston Hamburger
grind 'em from South Carolina The esophagus comin in
from China [Chorus] [Dr. Doom] Now the word is out,
big Doc Doom is out The zoo is closed, when I take the
gorillas home Fill the fish tanks up with Patron Decorate
the aquarium with the great dane's jawbone You can't
make no phone calls right now Cause that's my dog
phone Pickup the truck, the wheels fall off I say
doggone The birds fly I punch a bull in his eyes Pull the
horns off his head Rodeo head doctor his head 'til he's
turnin red Look up, you see the elephant layin in my
bed {*elephant noise*} [Chorus]
