Journey with me into the mind of a maniac  
Doomed to be a killer since I came out the nutsac  
I'm in a murderous mind state with a heart full of terror  
I see the devil in the mirror, buck, buck, lights out  
'Cause when I grab my sawed off, niggaz get hauled  
off

Barrel one touches your motherfuckin' flesh  
Barrel two shoots your fuckin' heart out your chest  
You see I'm quick to let the hammer go, click  
On my Tec-nine, so if you try to wreck mine, fool, it's  
your bad time

Feel the blast of the chocolate bomber  
Infra-red aimed at your head like your name was Sarah  
Conner  
Decapitation, I ain't hesitatin'  
To put you in the funderal home with a bullet in your  
dome

I'm hot like lava, you got a problem?  
I got a problem solver and his name is revolver  
It's like a deadly game of freeze tag  
I touch you with a forty-four Mag  
And you're frozen inside a body bag

Nobody iller than this graveyard filler, cap peeler  
'Cause Im a natural born killa

Terror illustrates my era  
Now I can't hang around my Momma 'cause I scare her  
I wanna blast, motherfucker  
It feels like Im bustin' a nut when I open you up

'Cause your body is exposed to the midnight mist  
All weak motherfuckers give my ring a kiss  
'Cause I'm givin' dirt naps  
Comin' with them, bomb ass raps  
To make your lungs collapse, perhaps

You never sleep 'cause everytime you doze  
You catch blows to the motherfuckin' nose

Ain't seen the sun in sixty-six days  
Let me count the ways in a fucked up maze

I never ever, ever made a ho stay  
But I'm down with Dre like AC is down with OJ  
So fuck how you're livin'  
I'm the unforgivin', psycho drivin' murderer

It's authentic, don't panic  
I can't stand it, goddamn it, schizophrenic  
So fuck Charlie Manson  
I'll snatch him out of his truck  
Hit 'em with a brick and I'm dancin'

Mass murderer, natural born killa  
And I don't wanna die  
I don't wanna die  
I don't wanna  
I don't wanna die

I don't understand the logic in my dreams  
But I understand, I like the sounds of sirens  
Terrified screams from the streams of Strychnine  
Dumpin' on any motherfucker tryin' to trick mine

'Cause punk motherfuckers wanna violate  
Now they stiff and cold and they pupils won't dialate  
It's so much pain, migraine, headache  
I can hear his bones break

He steps in the single door  
Got his ass whipped with twenty lashes  
Like that dude up in Singapore  
So I'ma pull a fuckin' Jeffrey Dahmer  
Now I'm suicidal, just like Nirvana

Tic, toc, toc ,tic, toc, tic  
Dr. Dre and Ice Cube on some murderous shit  
Keepin' niggaz in order, makin' their life shorter  
Ready to slaughter

'Cause to me a life ain't worth a quarter or a dime  
Mushroom's got my mind  
Hallucinatin' ain't no debatin', I'm creatin'  
An escape route to be out without a doubt

Scot free, so don't even  
Think about tryin' to stop me 'cause I cant wait  
I'm out the gate, on for the realla  
A thrilla for a natural born killa

Gi gi gi gi, ga,ga, they call me Dada  
Six million ways to murder, choose one  
Lose one soul, bodies turn cold  
Natural fright from niggaz goin' bump in the night

Should I peely?  
Should I kill her in my iller?  
Then a natural born killa

Should I peely?  
Should I kill her in my iller?  
Then a natural born killa

Should I peely?  
Should I kill her in my iller?  
Then a natural born killa

Should I peely?  
Should I kill her in my iller?  
Then a natural born killa
