I got my mind made up, come on, get in, get into it
Let it ride, tonight's the night, yeah
I got my mind made up, come on, get in, get into it
Let it ride, tonight's the night, yeah

Yeah, yeah, come on

Uh, you know you a freak
Before the album went platinum, ya hardly speak
And now you're skin grinnin', gassed off the chrome
rims and
Twenty room mansion, I rest my Timb's in

Uhh, I feel it how ya shake it
Rings in ya belly, I can't take it
Toss up your Moet, money make it
Last week frontin', tonight butt naked

I got the flava, make 'em Zoom-a-zoom
The LL Cool J, give me room
[Fuck it]
Looked up in my eyes as I lowered the boom
Twenty thousand freaks packed up in one room, uhh

All I wanna do, is zoom-a-zoom, zoom, zoom
(Mmm, whatchu wanna do?)
Uhh, whatchu wanna do?

All I wanna do, is zoom-a-zoom, zoom, zoom
(Mmm, whatchu wanna do?)
Uhh, whatchu wanna do?

Once again it's on, can't be home
The crime got me in the zone, homies blowin' up the
celly phone
The world knew I had to come once mo'
And just to let y'all know, I do my thing and still blow

Nuff to burn ten mill' cells, confirmed
The most anticipated since Tyson's return
So come on everybody let's all get down
'Cause what we have is a brand new sound

All the mummies in the house gettin' live tonight
They wanna
(Zoom, zoom, zoom, zoom, zoom-zoom)

And all my dogs feel the vibe tonight
They wanna
(Zoom, zoom, zoom, zoom, zoom-zoom)

Say what?

All I wanna do, is zoom-a-zoom, zoom, zoom
(Mmm, whatchu wanna do?)
Uhh, whatchu wanna do?

All I wanna do, is zoom-a-zoom, zoom, zoom
Dre, whatchu wanna do?
Mr. Smith, it's on you, uh

In other words, it's gon' be like that
You young boys is blind, I'm seein' them cats
Evolutionary, revolutionary and legendary
(What?)
I got a climax waiting for each and every cherry

I'm like a narcotic, niggaz is microscopic
Dr. Dre and Cool J is the topic
Forever, my lyrics is rough and energetic
Them cats is blazin'? I don't get it, they cosmetic

If shorty wanna step up? I'll twist his neck up
You can't get no money battling me, that's like ripping
your check up
What partna? Take ten paces and turn around
That quick, yo' whole ghost town is burnin' down
(Woof!)

What I spit, manipulates whole clicks
Make em conversate on how real niggaz ride my dick
It's like a serum, I just can't hear 'em
All them new niggaz poppin' new shit, I never fear 'em

As we proceed
To give you what you need
Satisfaction guaranteed
Work and die, yeah, yeah

I got my mind made up, come on, get in, get into it
Let it ride, tonight's the night, yeah

I got my mind made up, come on, get in, get into it

Let it ride, tonight's the night, yeah

I got my mind made up, come on, get in, get into it
Let it ride, tonight's the night, yeah
