Savin' souls is a consumin' job
But it's just gotta be done
If you do God's work, you deserve the perks
& preachers just wanna have fun
Yeah, preachers just wanna have fun

Preachin' the gospel to all of our fans
Down at the TV station
If you crave those spotlights & you crave those hot
nights
& preachers just wanna have fun
Yeah, preachers just wanna have fun

Satan is waitin' to get us undone
Preyin' on preachers who wanna have fun
He's in cahoots with the media too
So do as we say & not as we do; hallelu'!

Havin' affairs with those short secretaries
Get a man under the gun
It can cause a coo in your private view
& preachers just wanna have fun
Yeah, preachers just wanna have fun

Lord, have mercy, brethren!
A banquet of temptation has been spread before me
& though mine eyes have gazed upon it
I swear to you, I have not feasted on it
& I'll say that again:
I HAVE NOT FEASTED ON IT!

Satan is waitin' to get us undone
Preyin' on preachers who wanna have fun
He's in cahoots with the media too
So do as we say & not as we do (ooo, brethren!)

Now, turn out the Ford & the work of the board
& of financial gain we take none
Well now, I gotta fly 'cause my limo's outside
& preachers just wanna have fun
Yeah, preachers just wanna have fun

Ladies & gentlemen, help the Reverend fight the Devil!
For just a \$20 donation, we'll send you, absolutely free,
A full-color centerfold of your favorite evangelist!
Say hallelujah! (Hallelujah!) Unto heaven, praise
Get out your hymnals, turn to page 68 & let's ALL sing!
(Preachers just wanna have) preachers just wanna have
(Preachers just gotta have) preachers just got to have
(Just a little fun now) just a little fun now
(Preachers just wanna have) preachers just wanna have
... & fade
