She wears those micro mini dresses  
Hair hanging down her back  
She wears those see through sweaters  
She likes to wear her stockings black  
And if I see her tonight  
You bet your life I'll attack  
"Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby jump into my dream"  
She got beautiful teeth  
A toothpaste adman's dream  
She got a beautiful form  
The best I've ever seen  
I'm gonna get her tonight  
I don't care where she been  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby jump into my dream"  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby jump into my dream"  
She wears those micro mini dresses  
Hair hanging down her back  
She wears those see through sweaters  
She likes to wear her stockings black  
And if I see her tonight  
You bet your life I'll attack  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby jump into my dream"  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby what you doin' to me?"  
I said, "Baby, baby, baby jump into my dream"
