(Wingfield/Vernon/Foster)

Jimmy was a winner back in his home town  
People came to see him play from miles around  
Then one morning he woke up and looked himself in  
the face  
Said I'm going round in circles I ain't gettin' no place  
All this working for peanuts is getting way out of hand  
I've had about as much of it as I can stand

Gonna' drop, drop everything and run  
Drop, drop everything and run  
I want fame, fortune, my name up in lights  
Goodbye small time from tonight  
Gonna' drop, drop everything and run

Jimmy gave his notice headed down to the smoke  
Well it wasn't too much later he was hungry and broke  
He'd been paying out good money for a hole in the wall  
Gigging every night and earning nothing at all  
Said the work that I've been dreaming of is way out of  
reach  
I've got to be a bigger pebble on a smaller beach

Gonna' drop, drop everything and run  
Drop, drop everything and run  
I want fame, fortune, my name up in lights  
Now it's 'Hello home town, bye tonight'  
Gonna' drop, drop everything and run

Oooh Aaahhh That crazy Jimmy  
Oooh Aaahhh  
Back amongst his friends he had to swallow his pride  
'Cause he thought the grass was greener on the other  
side

Gonna' drop, drop everything and run  
Drop, drop everything and run  
I want fame, fortune, my name up in lights  
Now it's 'Hello home town, bye tonight'  
Gonna' drop, drop everything

Drop, drop everything  
Drop, drop everything and run
