J.A. Don't Like Gay – Dr. Evil

space was cool (laughin)
i have a very evil plan, now see. man to man? no! thats
not somethin to do to another dude.
its kinda creepy. ready mini me (mm hmm)

my name iz doctor evil, i'm tryin to find a reason.
why should a next man lye, with a guy whose name iz
stephen?
i love pum pum, fat cu cum cum, black brown square or
round.
i will never like trevor, i preffer wifing a heffer.
i bought dis A.K to spray on all gays..
including outrage whose fightin all are dj's
gun shots for all u fagits, i really hate u magits
all i really need iz, more pum pum for dis penis.

j.a dont like gay no, j.a dont like gay no
j.a dont like gay no, j.a dont like gay no
j.a dont like gay no, j.a dont like gay no
j.a dont like gay no,

pum pum! yes iz da best ting. next to da breast, da
chesting
we nuh investin, (so oh so man, me nah tight ah di
wrestling)
in peaces we'll leave dem resting,
(ring, hello testing)
ur in to child molesting, gun shots will tear ur intesting.
gay life we show no intresting.
