[Dr. Evil]

This is a very sensitive subject...

Just the two of us [repeat 2x]

Yeahhhhhh ahum ahum

[verse 1]

From the moment I heard Frau

Said I had a clone

I knew that I'd be safe

'cause I'd never be alone

An evil Dr. shouldn't speak aloud bout his feelings

My hurt and my pain don't make me too appealing

I'd hope Scott

Would look up to me,

Run the business of the family

Head an evil empire,

Just like his dear old dad

Give him my love and the things he never had

Scott would think

I was a cool guy

Returned the love I have

Make me wanna cry

Be evil, but had my feelings too

Chaged my life with Opra and Mya Angelou

But Scott rejected me

C'est La Ve

Life is cruel, treat you unfairly

Even so, a God there must be

Mini-me, you complete me.

Just the two of us [repeat 10x]

Uh-huh

Yeah

Just me and you

Gettin jiggy with it

Yeah, ahum

Quite pleasant really
YOU AND I
Daddy loves you
Daddy loves you
You and I
