(brilleaux/sparks/mayo)

Like a big ol' jar of worms with skinny legs
Can't see no chicken sittin' on a pigeons egg

Like a big ol' bag of nails hard bitten too
Good thing for me
I've got someone sweeter than you
Bye bye baby, might see you later
Sittin' in the bar of the sugar shaker

When I get home from work
And want something to eat
All you ever feed me baby
Taste like monkey meat

Like a big ol? bag of nails hard bitten too
Good thing for me
I've got someone sweeter than you
Bye bye baby, might see you later
Sittin' in the bar of the sugar shaker

- guitar break -

Climb hard down the night hawks
Higher than they ever been
Bolder than the brass baby
Turned your fingers green

Like a big ol' bag of nails hard bitten too
Good thing for me
I've got someone sweeter than you
Bye bye baby, might see you later
Sittin' in the bar of the sugar shaker

Bye bye baby, might see you later
Sittin' in the bar of the sugar shaker
This is where I loose my temper with the waiter
Sittin' in the bar of the sugar shaker
This is where I loose my faith in human nature
Sittin' in the bar of the sugar shaker
