(elmore james)

Talked to my baby on the telephone, she said  
Stop what you're doing and come on home

I can't hold on  
I can't hold on  
I get a real good feeling  
Talking to you on the phone

She said daddy, don't you worry, don't you cry  
You know I love you baby, said you're my heart's desire

I can't hold on  
I can't hold on  
I get a real good feeling  
Talking to you on the phone

- guitar solo (12 bars) -
