(steve walwyn)

I've been keepin' my ears to the ground  
I've been hearin' rumors going round  
Don't give me that dirty double talk  
My advice to you is take a walk

Tell me can't you see  
That you ain't foolin' me  
So tell me no lies  
Don't tell me no lies

I've been keepin' my eyes open wide  
You've been lyin' truth won't be denied  
I can't stand you cheatin' me this way  
I don't believe one single word you say

Tell me can't you see  
That you ain't foolin' me  
So tell me no lies  
Don't tell me no lies

- harmonica solo -

I've been watchin' every way you go  
I've got information don't you know  
I have to say it ain't no big surprise  
You've been messin' 'round but I got wise

Tell me can't you see  
That you ain't foolin' me  
So tell me no lies  
Don't tell me no lies

Tell me can't you see  
That you ain't foolin' me  
So tell me no lies  
Don't tell me no lies  
So tell me no lies  
Don't tell me no lies
