(wilko johnson)

I don't get nothing to nobody
But I get everything for you
My hopes, my plans
My dreams my friends
And most of my money to
If I got one thing left to give
I swear that I haven't a clue

The more I give the less I get from you

My friends told me that a womans love
Is a most peculiar thing
You treat 'em bad, steal their cash
And they treat you like a dog gone king
I never listened to their advice
But now I must admit that it's true

The more I give the less I get from you
