Turn my back on no man's gun  
Likewise with anyone  
It's not so dangerous  
It's not a smart thing to do  
But if I had my choice  
I'd take away his voice  
and tell him I might be a clown  
but I sure ain't no fool

Everyone seems to be waiting  
for some deep thought or emotion  
Someone to get the devotion  
to what they do  
But they don't understand  
that when you find that man  
He'll be doing it for himself  
He ain't doing it for you

Come on train  
Can't you see I'm waiting here  
Come on train  
Come on train  
Can't you see I'm freezing here  
Come on train

Three is one too many  
and one is one too few  
Two just makes me lonely  
and I can't get along with you  
Man standing by the highway  
is lonesome as can be  
Man standing by a boxcar  
looks a lot like me

Come on train

Fearless of flying  
but I'm tired of climbing  
and this time I've got to go  
all the way  
and if I don't make it  
You can't say I faked it

or that it didn't matter  
what'd I say

Come on train, fçâ, -Ã, Â!
