Let's go
King of love
ooh it's ugly
falling into love
everybody does it
everybody knows it

a a a oh (a a a oh)
sound off (sound off)
the king of love.....?
the power overcomes the rule
within himself there is a duel
a a a oh (a a a oh)
sound off
(king of, sound off)

off to the big city
everybody's lookin' (shitty?)
looking for a little pretty

a a a oh (a a a oh)
sound off king of, sound off

I think I hear the king falling
down down down
I think I hear the king falling
down down down

king of love
sound off

high school cherry top
working in a Spanish shop
that's not good enough
she wants to meet the king of love

(a shitload of aoh's and such)

I think I hear the king falling
down down down
I think I hear the king falling
down down down

king of love
sound off

schools out 45
5 tricks before 6
dope comes really soon
the king of love is on the moon

(all them a oh's again...)
