(Linden/Angelo)

There's a long list of whys  
You're not here tonight  
It's dark outside  
You couldn't find a ride  
Things were loose  
Time got tight  
Must've been an oversight  
You'll write me of where you might be  
Now the candle's burned out and the wine's all gone  
And the dogs outside are gonna howl 'til dawn

I'm gonna lock all the doors  
I'm gonna bolt all the windows  
I'm gonna turn off that lonesome song  
I'm gonna wipe out your words  
I'm gonna tear up your picture  
I'm gonna pray that it won't be long  
Until your memory's gone  
Out of touch out of time  
Spend a quarter drop a dime to find out  
What loneliness is about  
Tell the truth  
Make it good  
And you'll hear it in the neighbourhood  
To haunt you  
Come to taunt you  
But you don't have to waste another word  
'Cause I've got everything a fool deserves

I'm gonna lock all the doors...
