(Wilson/Titcomb)

I've got lucky charms  
A heart-shaped tattoo  
A door wide open  
With nothing to lose

So c'mon baby  
Move a little closer  
Just give me the green light  
You're so easy to love

I've got a big, big love  
Bigger than Yonge Street  
Tell everyone we meet  
That it's all for you

So c'mon baby  
Move a little closer  
Just give me the green light  
You're so easy to love

No party scenes takin' up my time  
They don't mean nothin'  
Nothin' to me  
Jacks and kings don't impress my queen  
I'm comin' up aces every time I'm played

So c'mon baby  
You can lean on me  
Just give me the green light  
You're so easy to love

When the night gets cold  
And the sun goes down  
She turns on every light in this town

See the steel mills fire  
Watch the traffic burn  
Let's stay home tonight  
And hide away from this world
