Don't call my name, I just must answer
This ain't no game, I ain't no chanter
Don't get me wrong, I don't want trouble
You come back strong, I'll come back double
I don't mess around, I'm dangerous

She's like a knife, sharp but pretty
She'll break your heart just for fun
You bet your life, you'll get no pity
She'll drop you flat when it's done
Look but just don't touch, she's dangerous
Dangerous
Dangerous

Big city lights, cold city nights
Sharks taking bites, dangerous
Dangerous

Dangerous

- guitar break -

Big city lights, cold city nights
Sharks taking bites, dangerous
Dangerous
Dangerous

So just get smart and keep away now
You wouldn't like the games we play now
It gets kinda' rough, we're dangerous
Dangerous
Dangerous

- harp solo to fade -
