(smith)

I meet her walkin' on early one morning  
Talkin' on round about noon  
Lookin' so fine round about nine  
Creatin' disturbance in her mind

Never went to college  
I never went to school  
When it comes to lovin'  
I'm an educated fool

- break -

Told her that she needed my kisses  
Told her that she needed my love  
Lookin' so fine round about nine  
Creatin' disturbance in her mind

Never went to college  
I never went to school  
When it comes to lovin'  
I'm an educated fool

- keyboard solo -

Told me that she wanted to leave me  
Rockin' and rollin' 'bout eight  
Lookin' so fine round about nine  
Creatin' disturbance in her mind

Never went to college  
I never went to school  
When it comes to lovin'  
I'm an educated fool

- guitar solo -

Told me that she wanted to leave me  
Rockin' and rollin' 'bout eight  
Lookin' so fine round about nine  
Creatin' disturbance in her mind

Never went to college  
I never went to school  
When it comes to lovin'  
I'm an educated fool  
I'm an educated fool  
I'm an educated fool
