(hammer/blackwell)

You shake my nerves and you rattle my brain
Too much love drives a man insane
You broke my will, but what a thrill
Goodness gracious - great balls of fire

I heard you laugh and I thought it was funny
You come along and moved me, honey
I changed my mind, this world is fine
Goodness gracious - great balls of fire

Kiss me baby
Mmmh, feels good
Hold me baby
I want to love you like a lover should
You're fine, so kind
Gotta tell this world that you're mine mine mine

I twitch my fingers and I wiggle my thumb
I'm real nervous but it sure is fun
Come on baby, drive me crazy
Goodness gracious - great balls of fire

- guitar break -

Kiss me baby

Mmmh, feels good
Hold me baby
I want to love you like a lover should
You're fine, so kind
Gotta tell this world that you're mine mine mine

I twitch my fingers and I wiggle my thumb
I'm real nervous but it sure is fun
Come on baby, drive me crazy
Goodness gracious - great balls of fire

- guitar break -

Kiss me baby

Mmmh, feels good
Hold me baby
I want to love you like a lover should
You're fine, so kind
Gotta tell this world that you're mine mine mine

I twitch my fingers and I wiggle my thumb
I'm real nervous but it sure is fun
Come on baby, drive me crazy
Goodness gracious - great balls of fire
