Took My Basic training Fourteen Days  
Now My Fancy Friends - ?  
My My My - Look at them walk by  
Those jokers trying to be Kings for the Day.

Comes to Play the Wheel and Roll a Dice  
Happy in a Fool's Paradise  
My My My - Pie in the Sky  
Those Jokers trying to be Kings for the Day.

- ?  
There Ain't no Aces Up Their Sleeves  
Those jokers Trying to be Kings for the Day.

Seen 'em come - Seen 'em go  
Aces High when their pictures show  
Those Jokers trying to be Kings for the Day.

Lady luck is pretty but she's Mean  
What use is a King without a Queen  
My My My - Look at them walk by  
Pie in the Sky - It Makes you want to Cry  
Those Jokers trying To be Kings for the Day.

Those Jokers trying to be Kings for the Day.

Those Jokers trying to be Kings for the Day.
