Hey little lady, got a cigarette to spare?
I like your high heels and the shade of your hair
I know a secret, do you promise not to tell?
I'll monkey on you baby, you got me in your spell

I'm like a monkey up a tree
I'm like a monkey you will see
That I'll monkey on you, baby
Tell me that you'll monkey on me

You fancy drivin' to the house up by the moon
And I was made for lovin' and I'm lovin' you
You say you're a student, well understudy me
I'll monkey on you baby, it's easy can't you see?

I'm like a monkey up a tree
I'm like a monkey you will see
That I'll monkey on you, baby
Tell me that you'll monkey on

Those goody-good girl looks have bowled me over
clean
Not exactly our love but then I'm not really keen
Imagine we're walkin' alone upon the sand
I'll monkey on you, baby, and I want to hold your hand

I'm like a monkey up a tree
I'm like a monkey you will see
That I'll monkey on you, baby
Tell me that you'll monkey on me

Gonna monkey on you
If you monkey on me
Gonna monkey on
