I'm finding out what love is all about
Every day at three when school lets out
I'll see my baby I get weak in the knees
There's nothin' shakin' but the leaves on the trees
Why must she be such a dog gone tease
There's nothin' shakin' but the leaves on the trees

We meet the gang and go to rockin' joe's
The cats are stomping on their heels and toes
I grab my baby try and give her a squeeze
There's nothin' shakin' but the leaves on the trees
My daddy told me there be times like these
There's nothin' shakin' but the leaves on the trees

She's got a way that makes me act like a fool
Spends my money then she treats me cruel
I'm beggin for her kisses on bended knees

Give me some lovin' baby please please please

- harmonica solo -

I keep trying hard to make her mine
Some day the wind will blow the sun will shine
Until the time she puts my heart at ease
There's nothin' shakin' but the leaves on the trees
She lock my heart and throw away the key
There's nothin' shakin' but the leaves on the trees

She's got a way that makes me act like a fool
Spends my money then she treats me cruel
I'm beggin for her kisses on bended knees
Give me some lovin' please please please
