(will birch/gordon russell)

I'm checking on you
You're checking on me
The moment we walk out the door
We're battered and blue
I'm reckoning we
Don't trust each other no more

Life is a riot
With spy vs spy
No peace and quiet
There's not a dry eye
In the house where we live
Life is a riot
With spy vs spy

You're running around
You're going outside
Trying to catch me with some blonde
I'm moving uptown
I'm ready to ride
Hey not so fast mrs bond

Life is a riot
With spy vs spy
No peace and quiet
There's not a dry eye
In the house where we live
Life is a riot
With spy vs spy
Life is a riot

With spy vs spy

- guitar solo -

We're looking for leads
We're searching for clues
We're looking for anything
That we can use, yeah

I'm checking on you
You're checking on me
The moment we walk out the door
We're battered and blue
I'm reckoning we
Don't trust each other no more

Life is a riot
With spy vs spy
No peace and quiet
There's not a dry eye
In the house where we live
Life is a riot
With spy vs spy
Life is a riot
With spy vs spy
Life is a riot
With spy vs spy
Life is a riot
With spy vs spy
